It seems that the Negro is always in it. Now comes the news that the Negro troops are now occupying points of advantage on the "Dark Continent."

The present year has been a notable one for conventions, and Kansas City has had her full share. But the convention of conventions is yet to be held. Next Wednesday morning when the National Negro Business League meets in Muskogee, Okla., the largest and most important convention of Negroes will be held.

Two dollars a year and your unquestioned good will and support of deserving Negro enterprises is all that is asked.

When Kansas City's big delegation returns home next Saturday they will have a great story to tell. We could tell it now, but it will be better told then. Then wait.

PURE FOOD, PURE AIR, PURE WATER.

In an advanced section, taken from the 1914-1915 Negro Year Book, pure air, pure food and pure water are set forth as the three graces of health. An interesting little booklet, this, for it contains much new information concerning the "South and the Conservation of Negro Health." It is set forth herein that the average life of the Southern Negro, which is now 35 years, can, where sanitary science and preventive medicine are applied, be increased to 50 years. Further, it states that 450,000 Negroes in the South are seriously ill at all times, a loss of 18 days a year for each Negro inhabitant, the annual cost of this sickness being \$75,000,000, the annual loss (12,000 workers) \$45,000,000 annually.

The following table indicates the diseases most fatal to Negroes:

| | |
|----------------------|-------------|
| Disease of Infancy | 27 per cent |
| Tuberculosis | 18 per cent |
| Pneumonia | 11 per cent |
| Disease of the heart | 8 per cent |
| Bright's disease | 7 per cent |
| Diarrhea | 6 per cent |

This report is made after careful research of the records of the entire South as regards Negro health.

Where Kansas City's Elite Eats the Tango on a Blazer. Price 15c.
SMITH'S DRUG STORE, 18th AND TRACY.

Smith's Drug Store the Sensation of the Town. Everybody Going.

Conspicuously before the public's eyes is Theo. Smith, our druggist, who is located on the busy corner of 18th and Tracy. If you belong to that class of men and women who think and do things, don't ever be guilty of saying that you have never visited this up-to-date store. His latest creation is the Tango Sundae on a Blazer, 15 cents. This is a combination of the best fruits and fruit syrups incorporated with ice cream and capped with angel cake, served in gold and silver containers under a bamboo tree among gleaming electric lights and before the breeze of an electric fan. This is irresistible.

The following is a list of distinguished guests and popular society people who have visited and declared the Tango Sundae to be the most delicious they have ever eaten.

—That certain married men can always be seen with single women. Why?
—That some people are always ready to criticize others for doing what they are not able themselves to do.
—That an empty wagon always did and always will make a loud rattling noise.
—That a certain young man of society who was "cut" recently by a prominent society girl is "just dying for his chance to get even."

THEY SAY
—That the best way to get along with some persons is to stay out of their way.
—That several youths and maids are singing the chorus, "Absence Makes the Heart Grow Fonder, Won't You Try and Love Me Once Again?"
—That somebody is always willing to give Eighteenth street her thrills.

—That Kansas City's Negro business men are going to make a big impression for good on the National Negro Business League delegates next week.

BLACKS CUTTING WHITES TO PIECES AGAIN.
There has been a certain amount of shooting and cutting among various people from time immemorial. Sometimes justifiable, at other times wholly unprovoked.

months visiting her sister, Mrs. C. H. Lewis, in Bay City, Mich., is en route to Topeka, Kas., where she will spend the remainder of the summer with her parents, Mr. and Mrs. George Washington Crockett. In passing through here she spent a few hours with Mrs. Hazel Long. The officers and members of the Pleasant Valley Baptist Church desire to let the people know that they are yet alive and putting forth every effort to sustain a place of elevation among humanity. Rev. Norfleet, the capable pastor, has the co-operation of the members and therefore has accomplished a great work. They hope to begin their new church building very soon. The Sunday School, meeting at 9:30 o'clock, is growing, and the church as a stranger's home, doing good work. Rev. Norfleet is very ably assisted by a most gracious wife.

Miss Eva Taylor will leave August 15 for a visit with friends in the East. She will return by way of Niagara Falls and other Eastern points.
